

# IDILICO

Idilico is Pomum Cellars' sister brand focusing exclusively on Spanish varietal wines grown in Washington State. Idilico is the name of a famous Bull that performed in the Barcelona Bullfight Ring in 2008. He was so "brave" that he earned a pardon and was spared from the Matador's sword. Needless to say this is a very rare occurrence and a great victory for this magnificent creature. The goal for Idilico wines, is to bring to the consumer's attention the potential of Spanish varietals in the great Washington State vineyards. Our first white is a beautiful Albariño to which we will follow with Garnacha, Tempranillo and Graciano. Down the road we hope to showcase Monastrel, Verdejo, Viura, Mencia and others.

## 2011 Idilico Graciano

What a treat!! This is 100% Graciano custom planted for us by Upland vineyard near Sunnyside, WA in the Snipes Mountain AVA. A relatively unknown variety from the Rioja wine region of Spain that is primarily used to enhance the color and acidity of Tempranillo blends. It is rarely showcased as a stand-alone varietal wine due to its unreliable late ripening. In eastern Washington it ripens just perfectly due to a warmer climate and produces one of the most unique wines you'll ever try.

Fermented for two weeks on its skins and aged in small French cooperage for 15 months. This wine has all the traits. Inky color, wild aromatics, huge fruit, zesty acidity and an infinite finish. Very limited at 112 cases. **\$30.00 Retail**
