IDILICO

Vinatería Idílico is Pomum Cellars' sister brand focusing exclusively on Spanish varietal wines grown in Washington State. Idílico is the name of a famous Bull that performed in the Barcelona Bullfight Ring in 2008. He was so "brave" that he earned a pardon and was spared from the Matador's sword. Needless to say this is a very rare occurrence and a great victory for this magnificent creature. The goal for Idílico wines, is to bring to the consumer's attention the potential of Spanish varietals in the great Washington State vineyards.

2024 Idílico Albariño

Our Albariño comes from Dutchmen vineyard a 6 acre planting of Albariño in a cooler area of the Yakima Valley north of Prosser. The vineyard was planted by the DenHoed brothers in 2005 and managed in partnership with us. The vineyard is spur trained on two cordons with VSP. The canopy is allowed to sprawl to provide shade and preserve freshness in the fruit. The fruit typically ripens in late September and yields hover around five tons per acre.

Winemaking comprised of straight forward stainless-steel fermentation and aging with moderate lees contact for four months. Malolactic fermentation was discouraged. The wine was lightly cold stabilized, fined and filtered before being bottled on April, 2025. The bright pale straw color wine shows notes of stone fruit and citrus followed by great acidity and fresh flavors. Drink anytime the sun shines.
