IDILICO

2022 Idilico Tempranillo

Winery:

Idilico is Pomum Cellars' sister brand focusing exclusively on Spanish varietal wines grown in Washington State. The goal for Idilico wines, is to bring to the consumer's attention the potential of Spanish varietals in the great Washington State terroirs of the Yakima Valley.

Wine:

Our 2022 Tempranillo comes from various clones planted at Upland Vineyard and Dineen Vineyard. These particular lots of Tempranillo exhibit the desired reductive notes that characterized this bottling and is more akin to the style in the Rioja region of Spain.

In 2022 we added 6% of Upland Vineyard Graciano for a bit of enhanced aromatics and acidity. The must was fermented on skins for two weeks and was barrel aged for 19 months in mostly neutral French oak . The wine was bottled unfined and unfiltered in July 2024.

Our 2022 Tempranillo reflects the style of our cool continental growing climates. Secondary aromatics of leather, black pepper and balsamic notes frame a core of red fruit. On the palate, the wine is medium-bodied with a juicy mouthfeel and soft tannins. The red fruit deepens into cherry, dried fig and plum, layered with dried herbs and a pleasant, lingering finish.
